# SEEDING

- The four (4) athletes leading their category in the JJIF World Ranking List are placed in positions, as described in the following part. If any of the athletes is not present, the next highest-ranked person, who is present in the event, will get the seeding position. This procedure stops at the ranking position No 10 for World Championships and at seeding position no 20 for a continental championship and other ranking events.
  - For example: if the second highest-ranked player does not participate in an event. The third highest ranked (if present) will be placed on the seeding position number 2, the next highest athletes
