Subject: JJIF Sporting Code in World Championship 2021

Respectful greetings from the Headquarters of Ju Jitsu International Federation (JJIF).

During the JJIF World Championship 2021 we will follow the Sporting code:
Please refer on the stated rules below (1.3.2 Age Categories) as per the JJIF Rules.

No athletes having the age of less than 18 years old will be allowed to participate in the ADULT World Championship of the JJIF. No athletes having the age of less than 14 years old will be allowed to participate in the events of JJIF (except as part of couple).

The entire U21 category (of proper aged-athletes) can participate in the adult's category. U18 can compete with U21, U14 re not allowed to compete in U16 (except as part of a couple). A competitor can participate in only one age category in the same tournament. Even if the categories are on different days, but within the same event, the same athlete cannot compete in both age categories.

As decided by JJIF Session in 2019 for the **unified World Championship** (Adults and Youth together 2019 and 2021) we have the exception that:

one athlete can participate in U21 and Adults division

The exception is only for these age divisions. All other regulations will be followed as stated above!

Should you have any further questions and inquiries, please do not hesitate to contact us.
