**Subject:** Dutch Judo Federation | Proposal for change in Fighting System rules

Dear Mr. President, mr. Panagiotis Theodoropoulos,

Please find enclosed a proposal of the Dutch jiu-jitsu referee committee, in particular from mr. Peter Smid and mr. Hans Snijder.

In their opinion an important description is missing in the current jiu-jitsu system regulations. The current regulations describe the conditions that must be met if there is a transition by the participants from phase 2 to phase 3.

Conversely, it is not described when participants go from phase 3 tot phase 2.

The concrete proposal is:

If participants go back from phase 3 to phase 2, both participants must be standing and both participants must have both feet on the ground.

A video to support this proposed change of regulations is attached:

Pay Attention! The download link can be used until July 14, 2021

We hope that this proposal can be discussed during the general assembly of the JJIF in November. We look forward to a confirmation of inclusion of this item on the agenda.

Could you send us confirmation of receipt of this e-mail? Thank you.

With kind regards,  
Dutch Judo Federation  
On behalf of the board members,

Tessa Brouwer,  
President
