Invitation to JJIF Technical Congress 24./25. September 2018 in Athens

Dear members,

Please accept my greetings and best wishes and this invitation to the Technical Congress of JJIF 2018.

As announced and published before JJIF will conduct a Technical Congress on 24./25. September 2018 in Athens.

The qualification period for The World Games 2021 will be 01. January 2019 to 31. December 2020. We want to avoid any changes in rules and structure during this period and until the Games.

Just to mention some very important points.

- From IOC, FISU, IWGA we got clear advice to change the competition format regarding gender equality.
- We are overworking rules and regulations in many points.
- Video Review must be implemented and the process for appeal clarified.
