The Veterans athletes that will undergo the weigh-in operation in the morning of Saturday 19<sup>th</sup> May 2018 and will not reach or exceed the declared weight category, will not compete. There is no exception to this rule. Those Veterans athletes who will not present themselves at the "random" weigh-in check or that will not reach or exceed the declared weight category will be eliminated from the completion as well.

Concerning all other age categories (with the exception of U10-U12), the draw will be carried out right after the weigh-in operations of each weight class, according to the Fijlkam rules.

Concerning the age categories U10-U12 the competition will be carried out using the Pule method (round robin), dividing the participants into groups of 3 or 4 athletes that will be as homogeneous as possible. Please, note that the group creation will be carried out in the days before the competition. Therefore, it will be a Club responsibility to communicate the names of eventual registered athletes who will not participate in the Tournament.

#### COMPETITION SYSTEM:

It consists of knock-out competition with Double Repêchage.

The Poule system (round robin) will be adopted for weight categories in which there are up to 3 (5 for Veterans) athletes.

The use of white and blue judogi is recommended. However, the use of white and red belt is allowed as well.

Referees will be nominated by the Italian Federation of Judo (FIJLKAM) or by its Veneto Regional Committee.

Each fight will be refereed by one Referee on the mat and two Referees at the Video review system (C.A.Re. System).

Current international rules in force for Judo competitions will be applied. In particular, KANSETSU-WAZA and SHIME-WAZA are prohibited for U13 and U15 age classes.

The protected judo rules will be applied for the age categories U10-U12, and a victory will be given after the second Ippon. On a tie match, at the end of the match time, the victory will be given to the most active and positive athlete at the discretion of the referee. The U12 class will start the matches without grips.

In no event or circumstance athletes and/or their representatives can appeal the decision of the Refereeing Committee. No appeal and/or protest against the decision of the Referee will be accepted.
