RULES

All participants will be divided by age class and weight categories, but with no gender separation. The resulting categories will then be divided in two subcategories based on belt grade: from white to orange belt and from green to brown belt. Participants will be finally inserted in poules of 3 or 4 athletes to give everybody the chance to perform at least two fights.

Athletes will be divided in age and weight categories as following:

U8 (M+F): Kg -20, -23, -26, -29, -32, -35, +35

U10 (M+F): Kg -23, -26, -29, -32, -35, -38, -41, -44, -48, +48

U12 (M+F): Kg -26, -29, -32, -35, -38, -41, -44, -48, -52, +52

Two subcategories will be created :

1. from white to orange belt
2. from green to brown belt

WEIGH-IN OPERATIONS:

All athletes will be weighted, as per attached programme.

Male athletes must be weighed with judogi trousers; female athletes must be weighed with judogi trousers and white t-shirt (with no collar). There will be a 500g tolerance for everybody.

CONTEST TIMES:

For **U8** the randori challenge will consist of **Tachi-Waza** with Ne-Waza continuation and it will have the duration of **1 minute** with **no stop at Matte**.

For **U10** the randori challenge will consist of **Tachi-Waza** with Ne-Waza continuation and it will have the duration of **1 minute** with stop at Matte.

For **U12** the randori challenge will consist of **Tachi-Waza** with Ne-Waza continuation and it will have the duration of **1minute and 30' seconds** with stop at Matte.

REFEREEING:

For all age categories the "protected judo rules" and the current international rules in force for Judo competitions will be applied.

The Referee starts the fight after the athletes have made their fundamental grips (both collar and sleeve) on their preferred side. After the HAJIME is given, athletes can adapt their preferred KUMIKATA, but wrapping and blocking the opponent's neck is in no case allowed. It is only permitted to grab behind the neck if the grip does not exceed the axis of the cervical spine, which corresponds to the first half of the neck.

It is also prohibited to attack the opposite side of the grip (non sono sicuro di cosa vuoi dire qua...), with the exception for IPPON-SEOI-NAGE when performed with the lapel grip. However, even in this case the opponent's arm must be safely blocked.

When both athletes break both grips, the referee will announce MATTE and stop the fight. After the athletes have returned to their starting position and before the fight can restart, the athletes must re-make their fundamental grips.

All KANSETSU-WAZA, SHIME-WAZA, SUTEMI-WAZA, and MAKIKOMI-WAZA are prohibited, as well as all those techniques performed by dropping with both knees on the TATAMI.

In the event that an athlete involuntarily performs a prohibited action, the first time they will only receive a verbal warning, while the following times they will be subject to the sanction of **SHIDO**.

If one of the two athletes scores an IPPON, the fight does not end but it will restart from the initial position and will continue until the end of the contest time or until one of the athletes will score a second IPPON.

If at the end of the contest time the two opponents will have the same score, the referee will announce HIKI-WAKE.

Fights will be headed by referees of the FIJLKAM Veneto Committee, at best of the organization possibilities. In the event that official referees will not be present in sufficient number, the participating Clubs will be kindly asked to make one of their coaches available to referee the fights. In which case, please, remember that the referee has to apply the previously described rules and give always priority to the safety of the athletes. In addition, the referee has also to guide the young judokas in learning discipline and proper judo etiquettes.

DISCLAIMER:

Each Club is liable for their own athletes and, in particular, regarding the checking-up of their gender and the status of non-pregnancy for women.

Each Club, in the figure of its athletes's Coach and/or in the figure of its legal representatives, and each referee, are responsible for themselves and for their athletes and they assume full Criminal and Civil liability in case of accidents. In addition, they have to provide all insurance coverage, for the current year, for the athlete who is participating in the "Kodomo-no-Judo" event, for the Competition Officials (including referees during competition), thus releasing the tournament organizers from any liability.
