A little bit history about...

Opened in 1994, Caldea is a pioneering centre in spa leisure.

A unique concept which means discovering the pleasures and benefits of natural spa water through fun, enjoyment and relaxation. Hydro massage, currents, bubbles, waterfalls... spa water comes in all forms in Caldea to give a unique opportunity for relaxation and leisure.

In an area of approximately 30,345 m², the centre has a wide range of activities for visitors to experience in a single place the different practices and rituals conceived by civilisations throughout history. Under glass domes and with approximately 6,000 m² of water leisure areas, Caldea has a Spa Leisure Area in which water is the main feature in a magic atmosphere divided between three principal spaces: Baths, Fitness and Rest areas.

Caldea opens every day from 10 a.m. to 10 p.m. (on Saturdays until midnight), with the Mondaigua light and music show every day at 9:40 p.m. Children aged over 5.
