INTRODUCTION

**DEAR GUESTS,
SPORT FRIENDS
AND SPORTSMEN,**

It is a great honour for me to host the International Open Karate Tournament for the 22nd time. It is a special pleasure that Rebicek Gerd, the founder and organiser of the tournament and his enthusiastic and devoted team create a bigger and higher quality competition year by year where the best competitors from all over Europe and world can meet. The previous year's Budapest Open had a record number of participants from 40 countries, more than 2000 entries which raised the event among the most respected world competitions. All of these are encouraging predictions before the 2020 Tokyo Olympic Games which confirm that

the Hungarian venue of preparation and the future competitors are ready for the challenge.

We are preparing the 2019 Budapest Open in this spirit, which has already been highlighted as a well-renowned tournament in several countries' competition calendar. Hungary and its capital, Budapest, in the heart of Europe, is a perfect destination for hosting and meeting spot for sport friends. It also provides a challenge for the best karate competitors of Europe and the world, in the spirit of the Olympic Games. The traditions, the organisation and the quality of the program series oblige us to make the 22nd Budapest Open an outstanding event concerning its number of participants, professional programs and high quality management to assure a prominent celebration of the sport, the participating competitors and the spectators as well.

I wish all spectators unforgettable sport experiences, the competitors fights free from injuries and excellent professional sport experiences, here in Budapest.

With Sport Friend's regards,

Yours sincerely,

Dr. János Mészáros

The President of the Hungarian Karate Federation

INTRODUCTION

**DEAR SPORT LEADERS,
TRAINERS AND COMPETITORS!**

21st Budapest open in 2018 have broken many records again, we had 2086 registrations from 40 countries. Despite the number of competitors, we managed to make the competition be in time. We got so many good feedbacks from the participants, and many of them wanted to be a part of it in 2019 again.

As the time comes closer to the Olympics, it's sensible that the prestige of Karate have highly risen, and we are proud that our competition have been recognised worldwide. Many countries, not just the neighbouring ones voted Budapest Open as a qualifying competition for their nations for the upcoming EKF-WKF championships. Thanks to this, not just the quantity of the competitors, but the quality of them have been risen, and many participants come from far away countries to this competition to face off their categories bests in central Europe. We as organizers do everything that we can, that the competitors get the best, and can compete the best they can. Therefore we decided to organize the 2019 Budapest Open at Vasas Jégcentrum, where the Hungarian Karate Federation organized the 2013 EKF European championship. Here we can make place for 10 tatamies if needed, and the stands will have much more space for the spectators.

Dear sport friends, I sincerely invite your team for te 22nd Budapest Open. Be part of this great sporting event, use the competition to make sure your students are prepared for the youth WCH, or earn qualification points. For the adult competitors it's a great possibility to fight with the best and prepare for the next PL and Series A competitions, and to get ready for next years decisive Olympics.

Best regards:

Gerd Rebicek

President of the Organizing Committee
