SPOR TOTO
TEKİLAT BAŞKANLIĞI

Dear Friends,

I take great pleasure in welcoming you to the Turkish Open, A member of the WAKO World Series of events. It is great to see our sport returning following the pandemic, which has materially

affected all sports in the world, it has been a particularly difficult period for our national federations, clubs, athletes, coaches and officials.

However we can see the light ahead, we shall emerge stronger, smarter and more appreciative of the world we have around us. I would like to congratulate the Turkish Federation and in particular its President Salim Kayici, who is also VP of WAKO IF and a key component of the ongoing success of WAKO worldwide.

As we return to competition is critical that we apply ourselves in every way requested by local conditions and remain vigilant at all times, protecting ourselves and those around us from contamination. I wish you all a safe and pleasurable tournament and success for the Turkish federation and its president. Its great to be back.

Mr. Roy BAKER
President of WAKO

Dear Wako Family,

I welcome each of the participating WAKO family members to the 6th International Turkish Open Kickboxing European Cup in Antalya, Turkey. It is our greatest desire to put the Covid-19

pandemic, that has been going on worldwide for about a year now, behind and to continue all our activities like as we did in the past.

We are celebrating 6 years of Kickboxing Excellence in Antalya this year and you do not want to miss out! Kickboxing continues to grow in our country as it is growing around the world. The best athletes from all over the world will meet and compete in each of the disciplines. In 2019, we hosted the largest tournament for ring sports! We had 5 rings that went non-stop every day. We also had 8 tatamis that were continually busy with the tatami sports. If you want great competition and experience, then do not miss this opportunity that is coming once again from the 8th to the 11th of April 2021.

Antalya is the largest city on the coastline of the Mediterranean Sea. This time of the year, the sunshine is usually abundant, which is wonderful after the cold winter months. You can enjoy the seaside and the touristic areas close by or take an extra day or two to venture out into the countryside or mountains. You could even visit one of the many historical and beautiful touristic sites which are not too far away.

Antalya is the meeting point of the world. It hosts tourists from every corner of the globe, and now it is bringing kickboxers together from around the world. Whether you come as a tourist or a fighter, there is one thing that I can assure you, you will never leave hungry. Turkish Hospitality is waiting for you!

I wish you safe travels and I look forward to seeing you in Antalya, the meeting place for Kickboxing in 2021.

Best Regards
Salim KAYICI

President of Turkish Kickboxing Federation
Vice President of WAKO IF
Vice President of WAKO Europe
