Dear Athletes, Coaches and fellow Presidents,

With particular enthusiasm I would like to invite you to the 23rd edition of the Bestfighter Tournament, WAKO 2018 World Cup. An unparalleled long-lasting record!

One of the biggest and most amazing events WAKO to which every year and from every part of the world, the best choose to meet the best of the circuit. A fundamental step to test the shape of the best fighters, but also a moment of particular interest to find yourself in an excellent location. In fact, Rimini has always been known for its great organizational capacity and hospitality with a wonderful landscape scenery, it represents with merit the Made in Italy.

The sporting event is for fighters, the scenic location is the corollary for friends and carers. A perfect mix between healthy sport and vacation time, of aggregation. The continuous passion, the great organizational skills gained with time and experience, ensure that Gianfranco Rizzi represents a certainty and a guarantee for all those who attend the Bestfighter every year.

A guarantee to ensure the commitment and quality that everyone expects and that has never been disappointed. We are proud to represent all of this and we can not wait to embrace you with particular emphasis on a weekend that is full of positive energy and that continues to inspire and convey the indisputable and healthy values of SPORT FOR EVERYONE.
