# PRESS RELEASE

We at GAMMA India are proud to announce that we would be conducting our 1<sup>st</sup> National Open Championship in the city of Bengaluru, Karnataka between the 23<sup>rd</sup> of March and 26<sup>th</sup> of March, 2021. This National Open will also determine the squad of fighters that would represent India at the GAMMA Asian Championship to be conducted in Issyk Kul, Kyrgyzstan in July, 2021. The National Championship was scheduled to be held in March 2020 but had to be canceled keeping in mind the safety of the participants during the start of the pandemic in the country and as per government directive.

Health and Safety of fighters have always been a top priority for us, and keeping in mind the current global situation, necessary Pre Fight Medical tests and clearances for all participants will be made mandatory. Also, at the venue, trained and qualified officials will work alongside medical staff, throughout the duration of the tournament, to not only ensure that all necessary COVID19 safety measures are strictly adhered to but also for any other emergencies that could arise.

Based on the feedback from our 2 successful Technical Webinars conducted by us on 19<sup>th</sup> & 20<sup>th</sup> September, 2020 & 17<sup>th</sup> & 18<sup>th</sup> October, 2020 we will also be using this opportunity to further our cause of developing trained and qualified Mixed Martial Arts Officials (Referees and Judges) by conducting our first Officials Seminar. The Officials Seminar will be held from 23<sup>rd</sup> March till 26<sup>th</sup> March. The prospective candidates will be taken through the Rules and Regulations of Mixed Martial Arts as per the Guidelines of GAMMA and will also be able to officiate first hand, under the careful supervision of current GAMMA India officials, at the National Championship. The goal of the seminar is to have a talent pool of thoroughly trained and experienced candidates that can further be certified and recognized by GAMMA as per GAMMA guidelines.
