## CHAPTER 1 Welcome Messages

### Welcome Message by GAMMA President Alexander Engelhardt

Dear GAMMA members in Asia,

COVID-19 has impacted us all, and with the goal of keeping everyone safe, GAMMA canceled all planned competitions in 2020.

We are now in 2021, and this global pandemic is far from over.

In fact, we are only beginning to learn how to navigate the aftermath of COVID-19. More than ever, we need to be innovative, resilient, and flexible. Together, we must give our athletes opportunities to compete and provide them with hope and motivation to stay committed to training.

Therefore, I am extremely grateful to Kyrgyzstan Federation MMA & PF President Babur Tolbaev and his team for stepping up and hosting this tournament in spite of all the costs and government approvals that were needed.

I am proud to invite you to the GAMMA 2021 Asian MMA Championship, which would not have been possible without determination, grit, and a passion to serve the mixed martial arts community.

I have every faith and confidence in Babur and his team to make this Asian Championship an event that will be remembered. We share the same vision for the development of mixed martial arts and our athletes, and this tournament will provide a first look at the future plans we have in mind. Along with our hosts, we aim to provide a safe and successful tournament under the new conditions, and we look forward to meeting everyone in Kyrgyzstan.

Due to the current situation, GAMMA will do our best to support the athletes and coaches who want to participate in the GAMMA 2021 Asian MMA Championship by providing free accommodations and food for up to 10 athletes and two coaches per participating country for the entire duration of the event.

I would like to wish all athletes, officials, and guests of the GAMMA 2021 Asian MMA Championship a pleasant time in amazing Kyrgyzstan. May our athletes and champions inspire us to be better, and may they practice respect and the spirit of sportsmanship – win or lose.

**Alexander Engelhardt**  
President of GAMMA

## CHAPTER 1 Welcome Messages

### Welcome Message

by Kyrgyzstan Federation MMA & PF President Babur Tolbaev

Dear Friends,

Mixed Martial Arts (MMA) is one of the fastest-growing sports in the world. Becoming a part of the Global Association of Mixed Martial Arts (GAMMA) is a great opportunity for me to create positive change – not only in Kyrgyzstan, but also on a global scale.

With honor and gratitude, I received a proposal from the founders, management, and governance of GAMMA to lead the development of the MMA Federation in Kyrgyzstan.

My dream with GAMMA is to help MMA athletes become well-rounded competitors who have great aspirations, grand ambitions, and incredible achievements. I want to help them build strong foundations for their lives so that they become even more meaningful after they finish competing.

I view these athletes as successful people who are obsessed and passionate about something they are good at and love to do. I also want them to be loving spouses, caring parents, and thoughtful mentors for their partners, children, and students.

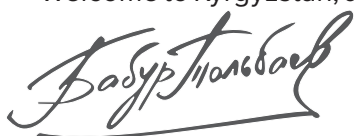

My vision: Our athletes don't just fight to be champions, to raise the flag of their country, to support their families, or to satisfy their desire for significance. They also fight for the greater good.

They can do this by supporting initiatives that help our planet, such as preserving nature, promoting better water management, decreasing air pollution, and protecting endangered species. I hope they fight against all forms of discrimination, racism, and radicalism. I want them to fight against corruption, kidnapping, and any other forms of abuse.

In the process, I want to see our athletes become influencers, bloggers, filmmakers, ambassadors, social activists, entrepreneurs, businesspeople, actors, police officers, coaches, and event managers. I hope they try new sports and consider themselves socially responsible citizens of the world.

Here in Kyrgyzstan, we are going to hold the GAMMA 2021 Asian MMA Championship like the world has never seen before. I also want to reassure athletes, member federations and international delegates that we will do our utmost to ensure your safety as the championship unfolds.

Welcome to Kyrgyzstan, and we hope you will be part of our GAMMA Revolution in 2021.

**Babur Tolbaev**  
President of Kyrgyzstan Federation MMA & PF  
Official representative of GAMMA in Kyrgyzstan
